RoHS2 and REACH compliance letter

To all our Customers:

Restriction of Hazardous Substances directive (RoHS2) European Directive 2011/65/EU

Products supplied by A.M.E Pressure Diecasting Ltd are components not defined as EEE and are therefore out of the scope of regulations.

We can confirm that our product materials do not contain any of the restricted substances in concentrations and applications banned by the Directive.

Restriction, Evaluation, Authorisation and Restriction of Chemicals (REACH) European Directive 1907/2006

A.M.E Pressure Diecasting Ltd is not an importer or manufacturer of substances as defined in the regulations and therefore is not required to register any chemicals

After contacting our suppliers, all show that they are aware of REACH regulations and so to the best of our knowledge A.M.E Pressure Diecasting Ltd components do not contain any substances on the REACH list or any other of the Substances of Very High Concern (SVHC).

Yours sincerely
